

TECHSOLV ECOEFICIENTE 9500 PU

The Ecoefficient line uses in its formulation 20 to 40% of solvents from renewable sources that cause low environmental and human impact, due to the low reactivity of the solvent vapors released. These thinners are free of chlorinated solvents, benzene, xylene, toluol and other aromatic solvents that attack the central nervous system (CNS).

RECOMMENDED USES

Indicated for the dilution of polyurethanes, TechThane line.

PRODUCT CHARACTERISTICS

Physical State and Form	Transparent liquid
Density 20°C	0,84 – 0,87 g/ml
Odor / Appearance	Characteristic / Clear
Evaporation Rate	150 (butyl acetate = 100)
Flash point	27°C (Closed Cup)
Solubility	Insoluble in water
VOC	850 g/L
Shelf life:	24 months

SAFETY PRECAUTIONS

Before handling this product, it is essential to carefully read all the information contained in its chemical safety information sheet (MSDS), available on our website or request directly from our Customer Service (0800487777).

The product must be kept at room temperature (as close as possible to 25°C), so that there are no changes in its initial characteristics.

Keep out of reach of children and pets (product for industrial use). **SALE PROHIBITED FOR MINORS UNDER 18 YEARS.**

INHALING THIS PRODUCT MAY CAUSE DEATH.

Never reuse the packaging.

When using this product, keep the environment ventilated, wear a protective mask, safety glasses and gloves.

AVOID INHALATION OF VAPORS. DO NOT SWALLOW.

In case of contact with eyes and skin, wash with plenty of running water for 15 minutes. Make sure that the electrical installations are perfect and that they do not cause sparks.

Do not use thinner to clean the skin, hands and other parts of the body. To clean your hands use alcohol, then wash with water and appropriate cleaning pastes.

NOTE

The instructions contained in this bulletin are based on our experience and technical knowledge, however, some factors are independent of our control as a manufacturer, such as: surface preparation, application, working conditions, etc.

TECHNICAL DATA SHEET

The use of a thinner other than that specified without prior approval by AnjoTech may affect the product's performance and void its warranty.

We do not assume any liability for material and personal damage caused by the misuse of the information contained in this bulletin and the products mentioned.

This bulletin is subject to change without notice.

Essas informações representam o melhor de nosso conhecimento à época de sua publicação. Lembramos que o bom resultado final da aplicação dos produtos depende de fatores que fogem ao nosso controle e que dizem respeito a preparação da superfície e conhecimentos técnicos do aplicador. A empresa reserva-se o direito de alterar essas especificações sem aviso prévio.
